## CMP-2401B & CMP-2402B One and Two Zone

### Overview

Fire•Lite's MiniPanel Series consists of the CMP-2401B and CMP-2402B, one and two-zone, Class B (Style B), conventional Fire Alarm Control Panels. These panels are specifically designed to meet the latest market requirements and current, as well as future, ULC requirements. The highly cost-effective MiniPanels are manufactured in Canada and meet a variety of low-end commercial, industrial, and institutional applications. (Available only in Canada.)
