System Sensor Audible/Visible Devices Discontinued

November 6, 2009
Document FLPA09-11-1

Fire-Lite Alarms have been advised by System Sensor that the audible / visible devices listed below will be discontinued as of January 1, 2010 due to historically low sales volumes. All of the products being discontinued are “replacement” (-R) models – outdoor devices that ship without a backbox. The replacement products are the respective outdoor devices that include an outdoor backbox.
