## Batteries Bulk Packs Now Shipping

August 9, 2011  
Document FLPA11-08-1

Dear Valued Customer,

Effective immediately **Fire-Lite Alarms** will only ship most Power Sonic brand batteries in pre-sized lots known as bulk packs. This will improve battery lead times and reduce the possibility of battery damage during shipping. As a result of economies of scale, the price of the bulk pack will reflect a reduced price per battery.

The table below has the new part numbers.

Item Number	Description
BAT-1250-BP	Ten BAT-1250 (12v, 5 AH) shipped in each bulk pack
BAT-1270-BP	Five BAT-1270 (12v, 7 AH) shipped in each bulk pack
BAT-12120-BP	Four BAT-12120 (12 v, 12 AH) shipped in each bulk pack
BAT-12180-BP	Two BAT-12180 (12v, 18 AH) shipped in each bulk pack
BAT-12260-BP	Two BAT-12260 (12v, 26 AH) shipped in each bulk pack

BAT-12550 and BAT-121000 will continue to be available in single unit quantities.
