

Product Announcement

SYSTEM SENSOR A/V PRODUCT LINE UPDATE

October 13, 2008
Document FLPA08-10-3

Dear Business Leader,

Fire-Lite is pleased to announce the release of System Sensor's two new accessory lines for **SpectrAlert Advance** products - colored lenses and trim rings.

Colored Lenses

These lenses are ideal for mass notification, severe weather, emergency response and other events. Features include:

- Available in four colors — amber, blue, green and red
- Easily attaches to any new or retrofit non-fire printed (plain models with a “- P” suffix) SpectrAlert Advance strobes, horn strobes, chime strobes or speaker strobes
- Outdoor rated for -35°F to 151°F
- Wall or ceiling mount lenses available
- UL 1638 Listed

Specific models are as follows:

<u>Model number</u>	<u>Description</u>
LENS-A	Wall mount lens attachment, amber
LENS-B	Wall mount lens attachment, blue
LENS-G	Wall mount lens attachment, green
LENS-R	Wall mount lens attachment, red
LENS-AC	Ceiling mount lens attachment, amber
LENS-BC	Ceiling mount lens attachment, blue
LENS-GC	Ceiling mount lens attachment, green
LENS-RC	Ceiling mount lens attachment, red

Trim Rings

The new SpectrAlert Advance trim rings provide the ability to mount a four wire horn / strobe to a single gang back box. The trim rings are compatible with single gang, double gang, 4” octagon and 4”x 4”x1.5” back boxes. Specific models are as follows:

<u>Model number</u>	<u>Description (all are shipped in quantities of 5)</u>
TR-HS	Horn / strobe trim rings, wall, red
TRW-HS	Horn / strobe trim rings, wall, white
TRC-HS	Horn / strobe trim ring, ceiling, red
TRCW-HS	Horn / strobe trim ring, ceiling, white

Please contact Customer Service Department at [1-800-627-3473](tel:1-800-627-3473) if you have any questions regarding this notice.

Sincerely,

A handwritten signature in black ink that reads "Bill Brosig". The signature is written in a cursive style with a large, prominent "B" at the beginning.
